

VOLUNTEERS NEEDED

Financial Coaches – Fall Cycle (August-November)

We are looking for volunteers that demonstrate empathy and an understanding of the financial challenges facing low-to-moderate income adults. If you have a willingness to motivate others and to learn how to coach people on goals related to building savings, reducing debt, and more, then this volunteer role is for you!

**PROJECT
MONEY...**

**PROVIDES 1-ON-1
FINANCIAL
COACHING**

MEETS BIWEEKLY

Apply online! Deadline 8/16

Guidelines for Volunteers

- **Complete a two day in-person training** on August 19th and 26th (10am – 4pm)
- **Commit to six one-and-a-half-hour-long sessions** every other Tuesday OR Thursday (6pm-8:30pm)
- **Work collaboratively and meet with a participant** for a total of six hour-long coaching sessions
- **Attend 30-minute long peer-learning sessions** held before or after scheduled coaching
- **Assist a participant in identifying short and long-term financial goals**
- **Assist a participant in identifying obstacles** to their financial goals and strategies to overcoming them
- **Provide tools and resources** to help the participant achieve their goals
- **Ask probing questions** that will guide self-reflection
- **Follow up and act as an accountability structure** for the participant
- **No prior experience is necessary**

Training and support is provided by CEP staff and experienced volunteers. If you're interested in becoming a financial coach, apply today: www.economicprogress.org/volunteer.

Application deadline is Wednesday, August 16th. If you have additional questions, contact us today.
